

mini Pro Push-In Wire Connectors

- Polycarbonate, UL 94V-0 flame-retardant shell rated at T85 (IEC).
- Spring force connector constructed from copper plate and stainless spring steel.
- Plastic shell is permanently welded together.
- Compact size design is perfect for tight spaces.
- Color-coded clear shell offers visual verification of connection.
- Recommend reusing with a wire at least one size larger than the wire previously removed.
- IEC/EN 60998 Certified and UL 486C Listed.
