

# ESG 50 Battery powered cutting tool 48 mm dia.

**NEXT  
GENERATION**

- Cuts copper and aluminium cables with light weight steel armouring (depending on cable type)
- Lightweight for effortless operations
- Time saving thanks to Innovative opening mechanism
- All tool data at a glance, thanks to the display and ipress App

## Characteristics

- Freely-selectable battery platform: with Bosch or Makita battery
- Easy reading of all data via Bluetooth
- Closed head, flip top style, rotatable
- One-button operating concept for controlling all tool functions
- Effortless working due to balanced centre of gravity
- LED for work area illumination
- 2-stage hydraulic system with fast feed and power stroke
- Automatic retraction when operation is complete
- Manual retract stop (MRS) for efficient operations
- Always ready for use thanks to the battery charge status and service display

## Suitable for

- Lightly armoured Cu and Al cables

Head type	Guillotine closed
Cutting range	max. 48 mm dia.
Cutting force	60 kN
Cutting time	8 s to 20 s (depending on material thickness)
Battery voltage	18 V
Battery capacity	5.0 Ah, Li-Ion
Charging time	45 min.
Weight incl. battery	4.9 kg
Ambient temperature	-10°C to +40 °C
