EASY ROLLER

The ultra-light cable drum unwinder Particularly flexible

Withstanding a lot but still a lightweight – makes the transport of the Easy Roller a child's play. But that's not all. The ramp with little down-grade and integrated side guidance eases winding and unwinding of large cable drums. The castors can easily be adjusted to the diameter of the cable drums.

Highlights

- Robust but yet lightweight design – zinc plated steel and spray coated
- 30% lower weight
- Ramp with little down-grade for easy winding and unwinding
- Adjustment of castors to the diameter of cable drums
- Castor with integrated side guidance
- Easy Roller is already completely mounted (no mounting required)

Types
