Code	Description	Size
L2725S	Sfera E27 25W	mm 71x45
L2740S	Sfera E27 40W	mm 71x45
L1425S	Sfera E14 25 W	mm 71x45
L1440S	Sfera E14 40 W	mm 71x45
L1415P	Pera E14 15W	mm 22x46
L1425P	Pera E14 25W	mm 22x46 mm 26x58
052941	Pera E14 10W (frigo)	mm 25x57
078210	Tubolare E14 40W	mm 25x85

## HALOGEN LAMPS

### G4 Series

#### SPECIFICATION:

- Triple the average lamp life compare with standard 2.000 hours lamps.
- Up to 6.000 hours.
- Xenon Halogen technology to enhance light output performance.
- Optimized design of filament structure provides excellent light distribution.
- Total block of UVB and UVC RAYS.
- High colour temperature gives more crispy white light.
  - Lower heat generation resulting in reduced air conditioning and heat stress on ambience.
  - G4-GY6,35/HE save 17/20% energy in replacing traditional lamps.

### G9 Series

#### SPECIFICATION:

- Double the average lamp life compare with standard 1.000 hours lamps.
- Up to 2.000 hours.
- Xenon Halogen technology to enhance light output performance.
- Optimized design of filament structure provides excellent light distribution.
- Total block of UVB and UVC RAYS.
- High colour temperature gives more crispy white light.
  - Lower heat generation resulting in reduced air conditioning and heat stress on ambience.
  - G9/HE save 17/20% energy in replacing traditional lamps.
