防水等级

IP67

Product information

Product name: 10 square solar photovoltaic connector

Product model: PV008-1500V

Executive standard: EN 62852:: 2015

Conductor material: tinned brass

Enclosure material: imported SABIC PC EXL 9330 insulation flame retardant material

Rated current: 65A

Rated voltage: 1500VDC

Rated temperature: -40~+85℃

Contact resistance: 0.5 m or less Ω

Protection class: IP67

Flame retardant grade: UL94 V-0
