

### Battery powered mini crimping tool

#### Head 360° :

Flip top style for easy access to the fittings. Head rotates 360-degree

#### Automatic pressure relief and automatic reset:

Automatic pressure relief and automatic reset

#### Lithium battery:

High performance, high capacity 18V lithium battery with power display, equipped with fast charger

**OLED:** Built-in intelligent computer chip, OLED display is easy to read information

#### LED lights:

Two LED working lights help work easier in dark area

#### PP Plastic case:

Housing and carrying case made of PP plastic, integrated forming, resistant to pressure and fall

Suitable for crimping in narrow working space

Quick crimping speed

Light weight, easy operation

OLED screen, display crimping times

18V power display lithium battery

### Multi-functional battery powered tool
